

KERIKERI CRUISING CLUB & MARINA

SAFETY REQUIREMENTS for KEELBOATS, MULTIHULLS, TRAILER YACHTS, SPORTS TRAILER YACHTS and SPORTS BOATS

The Kerikeri Cruising Club requires that, while racing within the confines and in the vicinity of the Bay of Islands, all yachts shall comply with the following Yachting New Zealand Safety Regulations of Sailing 2017-2020.

Keelboats and Multihulls shall comply with Part II, Category 5 and include:

- **Anchor** - suitable for size of boat and fastened when not in use.
- **Charts and plotting equipment** - local tide tables, marine charts and plotting equipment.
- **Bilge pump** one manual pump to current regulation.
- **Buckets** - two of 9 litres capacity with lanyards.
- **Emergency knife** - properly housed, sharp with ready access to crew in cockpit.
- **Fire extinguishers** - minimum of two, services and tested and readily accessible in two different areas, total weight => 4kg.
- **First aid kit** - complete with suitable stores.
- **Flares** - two red and two orange, all less than 3 years old.
- **Flashlights** – two, floating and waterproof with spare batteries
- **Fog horn** ready at hand for use in manoeuvring signals
- **Heaving line** designed for the purpose.
- **Life buoy** - at least one marked with yacht's name.
- **Life jackets** - one per crew member with boat name to YNZ SR 17.05.
- **Navigation lights** - to current regulation.
- **Radio receiver** – either a (a) vhf or cell phone protected from water ingress *or*
(b) radio receiver capable of receiving weather bulletins.
- **Safety harnesses** - for at least 50% of crew aboard
- **Softwood plugs** - tapered and of correct size beside each seacock and valve.

Trailer Yachts and Sports Trailer Yachts (in addition to “Radio receiver” – see above) shall comply with the requirements of Part V Category C.

Sport Boats (in addition to “Radio receiver – see above) shall comply with the requirements of Part VI Category B.

Inspections may be made at any time. If, following a race, any yacht is inspected and found not to comply with these safety requirements it may be disqualified from that race
