Change to Sailing Instructions

Remove Sailing Instruction Clause 6.4 which reads:

6.4 A minimum of two (2) yachts entered in either division must start to constitute a race.

Reason: Any yacht that fulfils the race entry requirements and ranks as a starter shall not be disadvantaged through the lack of other starters.

Resulting action:

If a single starter raced and completed the course she would receive 1 point.

If a single yacht were to rank as a starter but not race she would receive 2 points for a DNS.

All non-starters in a race would still receive DNC points for the number of entries in her division plus 1.
