JOIN THE CLUB

The Kerikeri Cruising Club and Marina are located at the entrance to the Kerikeri Inlet on the doorstep of the Bay of Islands. The Club was founded in 1935 and first met in the historic Stone Store.

These days the Club has a permanent home in Doves Bay with its own Clubhouse and marina, but the spirit of the original Club remains. The Club aims to encourage safe boating and the boating endeavours of its members.

The Club has active keelboat and centreboard racing calendars as well as events for cruising yachts and launches.

The Clubhouse restaurant and licensed bar enables us to host social events like the mid-winter Christmas and summer Ball in addition to the regular race prize givings. Club members can hire the Clubhouse for private functions or bring visitors to dine at the restaurant.

Members can also apply to purchase or rent marina berths. The Club has 186 marina berths and pile moorings. Dinghy racks and lockers are also available.

Application for Membership

PLEASE PRINT IN BLOCK LETTERS.
