KERIKERI CRUISING CLUB

Safety Requirements for Keelboats, Multihulls, Trailer Yachts, Sports Trailer Yachts and Sports Boats

The Kerikeri Cruising Club requires that, while racing within the confines and in the vicinity of the Bay of Islands, all yachts shall comply with the following Yachting New Zealand Safety Regulations of Sailing 2017-2020:

KEELBOATS AND MULTIHULLS   shall comply with Part II, Category 5 and include:

LIFE JACKETS   One per crew member with boat name to YNZ SR 17.05.

EMERGENCY KNIFE   Properly housed, sharp with ready access to crew in cockpit.

SOFTWOOD PLUGS   Tapered and of correct size beside each seacock and valve.

FIRE EXTINGUISHERS   Minimum of two, services and tested and readily accessible in two different areas, total weight => 4kg.

FIRST AID KIT   Complete with suitable stores.

ANCHOR   Suitable for size of boat and fastened when not in use.

CHARTS AND PLOTTING EQUIPMENT   Local tide tables, marine charts and plotting equipment.

NAVIGATION LIGHTS   To current regulation.

DISTRESS FLARES   Two red and two orange, all less than 3 years old.

FLASHLIGHTS   Two floating and waterproof with spare batteries

RADIO RECEIVER   Either (a) VHF or cell phone protected from water ingress or (b) radio receiver capable of receiving weather bulletins.

BUCKETS   Two of 9 litres capacity with lanyards.

LIFEBUOY   At least one marked with yacht's name.

SAFETY HARNESSES   For at least 50% of crew aboard.

FOG HORN   Ready at hand for use in manoeuvring signals

BILGE PUMP   One manual pump to current regulation.

HEAVING LINE   Designed for the purpose.

TRAILER YACHTS and SPORTS TRAILER YACHTS
shall comply with the requirements of Part V, Category C.

SPORT BOATS
shall comply with the requirements of Part VI, Category B.

NOTE Inspections may be made at any time. If, following a race, any yacht is inspected and found not to comply with these safety regulations it may be disqualified from that race .

Issued by the Keelboat Committee, Kerikeri Cruising Club on May 2, 2017
