# **SPECIAL NOTES FOR RACING YACHTS PLEASE READ CAREFULLY**

## **INSURANCE**

As all owners are aware, competitive racing inevitably carries with it an increased risk of collision between boats and resultant damage and expense. The Organising Committee urges all owners to carry full racing insurance and believes that at the very least third party insurance should be held. It is not, however, the responsibility of the Organising Committee to police or enforce insurance, rather it is a matter of choice for individual owners and skippers. The Organising Committee shall not be responsible for losses arising during any race or regatta, whether boats are insured or otherwise. All owners and skippers are advised that it is the responsibility of owners and/or skippers to ensure that they carry the relevant insurance. Boats race at their own risk.

## **OBSTRUCTIONS AND FAIRWAY MARKS**

Yachts while racing shall pass on the main navigation channel side of all mooring buoys and moored boats. These areas shall be treated as an obstruction.

Unless any of the following are nominated as rounding marks, yachts when racing must pass:

- North of Cocked Hat Island beacon.
- To seaward of all of the Black Rocks.
- North of Flat Island.
- South of the Te Pahi Islands including Motuterakihi.
- To seaward of Brampton Buoy.
- North of all rocks off Tapeka Point.
- South of Reidy's Buoy.

## **VHF RADIOS**

Yachts when racing should keep their VHF radios turned on at all times to hear any Start Box or OD instructions or comments during racing, i.e. individual or general recalls, or notification of a shortened course. The working channel is 77.

## **GENERAL RECALL PROCEDURE**

Where the stat box is attended, a general recall will be notified by the displaying of one amber and one green light along with two sound signals. The recall lights will be removed along with one sound signal. This changes RRS Rule 29.2 General Recall.

The warning signal for the restart shall be made one minute after the recall lights are removed along with one sound signal.

In a divisional race the warning signal for any following divisions shall be made five minutes after the restart.

## **BAY OF ISLANDS MARINE MAMMAL SCANTUARY**

While racing and preparing to race (from the 5min preparatory signal until the finish), vessels racing and preparing to race shall not be required to comply with BOI Marine Mammal sanctuary requirements for vessels.

These requirements must be complied with at all other times:

- Vessels coming within 300m of a marine mammal must come to a stop
- Vessels must travel at no more than 5 knots through marine mammal safe zones

If while racing or preparing to race, a vessel comes within 300m a marine mammal, this must be reported to the Department of Conservation using the details available in the Race Office. Details shall include the vessel name, the marine(s) mammal encountered, the time and location

# SAFETY REQUIREMENTS FOR KEELBOATS, MULTIHULLS, TRAILER YACHTS, SPORTS TRAILER YACHTS AND SPORTS BOATS

The Kerikeri Cruising Club requires that, while racing within the confines and in the vicinity of the Bay of Islands, all yachts shall comply with the following Yachting New Zealand Safety Regulations of Sailing 2021-2024.

**KEELBOATS AND MULTIHULLS** shall comply with Part II, Category 5 and include:

- **Anchor** - suitable for size of boat and fastened when not in use.
- **Charts and plotting equipment** - local tide tables, marine charts and plotting equipment.
- **Bilge pump** - one manual pump to current regulation.
- **Buckets** - two of 9 litres capacity with lanyards.
- **Emergency knife** - properly housed, sharp with ready access to crew in cockpit.
- **Fire extinguishers** - minimum of two, serviced and tested and readily accessible in two different areas, total weight => 4kg.
- **First aid kit** - complete with suitable stores.
- **Flares** - two red and two orange, all less than 3 years old.
- **Flashlights** – two, floating and waterproof with spare batteries
- **Fog horn** - ready at hand for use in manoeuvring signals
- **Heaving line** - designed for the purpose.
- **Life buoy** - at least one marked with yacht's name.
- **Life jackets** - with crotch strap, one per crew member with boat name to YNZ SR 17.05.
- **Navigation lights** - to current regulation.
- **Radio receiver** – either a
  - (a) vhf or cell phone protected from water ingress or
  - (b) radio receiver capable of receiving weather bulletins.
- **Safety harnesses** - for at least 50% of crew aboard
- **Softwood plugs** - tapered and of correct size beside each seacock and valve.

**TRAILER YACHTS AND SPORTS TRAILER YACHTS** (in addition to “Radio receiver” – see above) Shall comply with the requirements of Part V, Category C.

**SPORT BOATS** (in addition to “Radio receiver – see above) shall comply with the requirements of Part VI Category B.

**NOTE:** Inspections may be made at any time. If, following a race, any yacht is inspected and found not to comply with these safety requirements it may be disqualified from that race
