JOIN THE CLUB

The Kerikeri Cruising Club and Marina are located at the entrance to the Kerikeri Inlet on the doorstep of the Bay of Islands. The Club was founded in 1935 and first met in the historic Stone Store. These days the Club has a permanent home in Doves Bay with its own Clubhouse and marina, but the spirit of the original Club remains. The Club aims to encourage safe boating and the boating endeavours of its members.

The Club has active keelboat and centreboard racing calendars as well as events for cruising yachts and launches.

The Clubhouse restaurant & licensed bar enables social events like the celebration of Matariki & a Club Ball in addition to the regular race prize giving's. Club members can hire the Clubhouse for private functions or bring visitors to dine at the restaurant. Club members can also rent marina berths, pile moorings or dinghy storage.

Full Members can also apply to purchase a marina berth license.

There is high demand for all the Club's resources & in particular the limited vehicle & boat trailer parking and Marina Berths.
